

Hand in Hand *(Jason Wright)*

Bb Gm

You've seen some scary things I won't mention (darling)

Bb

And I know, I know

Gm

you've heard it all before (darling)

Bb

But girl, that's not what's driving me here

Bb

But girl, that's not what driving me here

Bb

So please just rest

Bb

your head on mine

Bb

and I'll hold you until

Bb

the end of time

Eb

We'll make this night last forever

Eb

and everything will be all better

Eb F Bb

So I say, "I love you"

Eb

'cause it just means so much more

Bb

Gm

when I say it to... you

You've bled you heart out just to get to me (beautiful)

and I know, I know

You love playing that game (beautiful)

But girl, you know it's killing you

But girl, you know it's killing you

So please just put

your hand in mine

and I'll patch you up (patch you up)

and you'll be fine

We'll make this night last forever

and everything will be all better

so I say, "I love you"

'Cause it just means so much more

Bb A Bb EbM7 (x2)

when I say it to you

Bb A

Oh if only, we were vampires

Bb

we could spread our chaos hand in hand

Bb

Oh if only, we were immortal

Bb

we would have an eternity of nights like these

Even if the whole world was against us

I'd stand by your side if you'd stand by mine

So tell me you love me

'Cause it just means so much more

Just means so much more (yeah)

Just means so much more

When you say it to me
