(solo)

I'm gonna sit right down and write myself a letter
and make believe it came from you
I'm gonna write words, oh, so sweet
They're gonna knock you off your feet
A lotta kisses on the bottom; I'll be glad I've got 'em
I'm gonna smile and say, "I hope you're feeling better,"
and close "with love" the way, baby, that you do
I'm gonna sit right down and write myself a letter
and make believe it came from you

Sit right down and right myself a letter
and make believe it came from you
