

Sweetest Goodbye (Maroon 5)

Am7

Where you are seems to be

D

As far as an eternity

G

Outstretched arms, open hearts

Em

And if it never ends then when do we start

Am7

I'll never leave you behind

D

Or treat you unkind

G

I know you understand, oooh

Em

Am7

And with a tear in my eye

D

Give me the sweetest goodbye

G

That I ever did receive

Em6

C

B

Pushing forward and arching back

Em

Em6

Bring me closer to heart attack

Say goodbye and just fly away

When you come back

I have some things to say

How does it feel to know you never have to be alone?

When you get home

There must be someplace here that only you and I could go

So I can show you how I...

Dream away everyday

Try so hard to disregard

The rhythm of the rain that drops and

coincides with the beating of my heart

I'll never leave you behind

Or treat you unkind

I know you understand, yeah... yeah, yeah, yeah

And with a tear in my eye

Give me the sweet goodbye

That I ever, ever, ever did receive

Pushing forward and arching back

Bring me close to heart attack

Say goodbye and just fly away

When you come back

I have something to say

How does it feel to know you never have to be alone

when you get home

There must be someplace here that only you and I could go

So I can show you how I

Feel, feel, feel, feel

solo & (How does it feel, etc...)
